

## Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively manufacturing, designing, developing, marketing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to giving top quality and new design concepts so as to meet the diverse needs of their clients.

In their product development; TREK Cleaning Machines continually provides fresh design ideas. They like providing products that energize both their dealers and their partners and offer production gains to their customers.

The team at TREK enjoys handling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to dramatically lessen expense through productivity gains.

When required, the employees within TREK and its various dealer members in both technical support and parts will be obtainable. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning machines ready and running day after day is top priority. The company's top of the line technology delivers reliable machinery that eventually lowers your cost of cleaning. The price, the service and the product all work together in order to make them the leader in the industry.
