Advance-Nilfisk Parts - Imagine how tedious it would really be to tidy up your own house right after throwing a large party, with out assistance from cleaning machines. Back in the day, the time upholstery and carpets had the dirt beat out of them manually; cleaning cloths, brushes and brooms were the state-of-the-art cleaning supplies of that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the company in the year 1906, he began to produce motors in order to drive machine tools, coffee grinders, drills and fans. Mr. Fisker's vision from the start was to have an international business marketing products globally.

The Nilfisk C1 was an incredible breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and can be operated by one person. This creation came in a time where various cleaning equipment were massive and needed 4 or more operators, hence, the Nilfisk C1 changed everything and developed the way we clean forever. The brain behind these very first cleaning machines remains unparalleled. Cleaning equipment provide an excellent solution to an ongoing problem; stuff get filthy and should be cleaned frequently, without a lot of effort.

Little by little, the business Nilfisk-Advance developed through the years. In the early 1980's the business grew fast when the company became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance ahead within the trade, aspiring to be an active global player in manufacturing professional cleaning machines. Nilfisk-Advance is presently located in every part of the globe due to steadily obtaining a lot of small businesses so as to develop their product range and presence in new markets. They are proud to provide a variety of cleaning solutions to suit each and every need.
